

Bursary Membership

Members of The AFP can invite selected customers to join The AFP as bursary members. Bursary Members enjoy all the benefits of AFP membership, courtesy of the company that nominated them.

WHAT IS THE AFP?

The Association of Fleet Professionals (AFP) is a not for profit body that supports, educates and trains the corporate fleet industry. We are the collective voice of national fleet operators and strive to improve market conditions for everyone involved in running a corporate fleet in the UK.

We bring people involved in fleets together and promote networking, collaboration and the sharing of best practice. We elevate the standards within our industry, developing both the current and next generation of fleet leaders.

MEMBERSHIP BENEFITS AT A GLANCE

- Networking
- Support
- Education
- Collaboration
- Training

FLEET OPERATOR BENEFITS

Networking – as a member, you can attend our annual members' conference, fleet operator forums and networking lunches and dinners. We also have a presence at most industry events/exhibitions and can introduce you to fellow fleet operators. Plus you can directly message other members through the online member directory.

Personal Development and Career Enhancement – our well regarded Fleet Academy courses are industry leading and cover a wide range of topical areas in addition to our core Fleet Vehicle Management courses.

Support – we provide support in many ways. You can post questions on the Members' Forum to get advice from other members. We have a fleet operator members' WhatsApp group and hold regular online forums where you can discuss challenges and share experiences. You can call or email us with any question, and we also offer a mentoring service.

Members' Area – our growing Resource Library aims to pool and share best practice and advice – including driver guides, information sheets and policies. It's a great starting point.

Get your voice heard – we run a number of committees that you can get involved in to help shape the future of fleet and mobility.

Lobbying - representation of members' views via our lobbying activities and regular dialogue with Government departments and officials.

Use of designatory letters to show you are a member – starting with MAFP.

Supplier Directory - providing information on class leading fleet products and services.

If you have any questions, feel free to email us at The AFP via administration@theafp.co.uk or call us on 07598 686500
