

Bursary Membership

Fleet Support Providers who are Silver, Gold or Platinum members of The AFP can nominate a select number of customers who operate fleets to join The AFP as bursary members. Bursary Members enjoy all the benefits of AFP membership, courtesy of the company that nominated them.

Silver - 1 bursary
Gold - 2 bursaries
Platinum - 4 bursaries

Gold members the IFC Group invited Mandy Vanstone from Miele to become a bursary member and this is what Mandy had to say: *"I was delighted when IFC invited me to become a bursary member of The AFP. I enjoy all the benefits of membership and find the resources really useful. IFC hosted me at AFP's insightful annual conference and I've received invites to various networking events. It's also great having access to the online members area and knowing that if I have any questions, I can get help from The AFP community by sending an email or posting a question on the forum. It's been a great experience so far and I'm really enjoying being an AFP member. Thanks IFC!"*

James Pestell, National Sales Manager at the IFC Group said *"We selected Mandy due to the great work and impact she is making on the Miele Fleet. When it comes to awarding bursary membership, for us, it is about recognising individuals within our client base who will benefit and be enriched by AFP membership. We are delighted to have been able to do this for Mandy, who is really benefitting from, and enjoying, AFP membership"*

BENEFITS TO FLEET OPERATORS OF BURSARY MEMBERSHIP

Networking – bursary members can attend our annual members' conference, fleet operator forums and networking lunches and dinners.

Personal Development and Career Enhancement – through the AFP Fleet Academy

Support – fleet operators can post questions on the Members' Forum or message the Fleet Operator Member WhatsApp group. They can take part in the online forums and can call or email us with any question. We also offer a mentoring service.

Members' Area – bursary members receive full access to the members' Area

Committee membership – bursary members can get involved in our committees

Designatory letters to indicate membership – starting with MAFP.

Supplier Directory - providing information on class leading fleet products and services.

Bursary Members are linked to your FSP Membership so if you cease to be members, the bursary membership will also end. You can end the bursary membership at any point.

If you have any questions, feel free to email us at The AFP via administration@theafp.co.uk or call us on 07598 686500
