

Fleet Support Provider Membership

WHAT IS THE AFP?

The Association of Fleet Professionals (AFP) is a not for profit body that supports, educates and trains the corporate fleet industry. We are the collective voice of national fleet operators and strive to improve market conditions for everyone involved in running a corporate fleet in the UK.

With over 1,000 members, we bring people involved in fleets together and promote networking, collaboration and the sharing of best practice. We elevate the standards within our industry, developing both the current and next generation of fleet leaders.

WHY JOIN?

Support your Industry - As a business operating in the fleet industry, quite simply, it is the right thing to do. Membership demonstrates your support of the industry and shows you are committed to helping improve the standard and operating conditions for all.

Networking - as members, you can attend our annual members' conference and should you wish to have an audience with the fleet operator members, you have the option to sponsor one of our fleet operator lunches or possibly get involved with a webinar where relevant.

Fleet Directory - your company's details will be added to the Fleet Directory on our website.

Personal Development and Career Enhancement - our well regarded Fleet Academy courses are applicable to both fleet operators and fleet support providers. Some courses require the delegate to be a member and others offer member discounts.

Access to a Committee for Platinum Members - we run a number of committees comprising of fleet operatives and fleet support providers. Committee outputs are shared with the wider membership, policy setters, Government agencies, press and other bodies where applicable.

Bursary Membership - you can offer complimentary AFP membership to a select number of your own customers. Bursary membership is available to silver members and above.

Use of Designatory Letters to show you are a Member - your lead member can use MAFP after their name.

Access to the Members' Area - our growing Resource Library aims to pool and share best practice and advice. We can add your educational content here too where suitable.
